THE LAST ROAD MOVIE

15. JANÚAR 2005 - 19:47

Went for two days to Jokulsarlon, on the south coast of Iceland to find a gravestone for my father. Did filming of the trip for a project named 'the last road movie'. My father was an actor in some films and his best roles are in road movies: Children of Nature and Cold Fever. So we enjoy this one as his last movie. Went together, two brothers and some of the kids in the family. We have once before tried to go but that time it rained so much that a bridge gave way. Here is a pic of Laufskalavarda taken today
