NORTH ICELAND BATHS

03. JANÚAR 2006 - 16:38

Went to the North of Iceland for a project meeting. This coincided with a site visit to my project in the MYVATN NATURE BATHS. The sun was going down over the lake Myvatn, the lights were coming on, albeit not too strong, because the most important lights are the stars and the Aurora Borealis. Great for us to revisit.
