## STUDENTS IN IKADA

22. JANÚAR 2007 - 08:28

The MOD project continues. The students visited [IKADA](#) the incubator for new small enterprises in Oslo. Two of the new companies gave a presentation and the application process into IKADA was explained. Hopefully we will have some 'real' results from this project. The images show a presentation and the students wandering around looking in on the 21 companies that are located in IKADA now.
